

## ENVIRONMENTAL POLICY

Utara 5 Food and Beverage Sdn Bhd (“**U5FB**”) recognises that an environmentally sound and sustainable development goes hand in hand with promoting economic, social and cultural progress.

In line with this policy, U5FB is committed to:-

- Incorporate environmental management principles in its corporate strategy, planning and implementation;
- Comply with the requirements of environmental management systems and the applicable legal requirements of Environmental Quality Act 1974 and other laws and regulations set forth by the local authority;
- Strive for continual improvement and monitoring of our operational controls to minimise the impact to the environment; and
- Minimise scheduled and non-scheduled solid wastes through the promotion of the 3R concept: Reduce, Reuse and Recycle.
